

Summer Passport

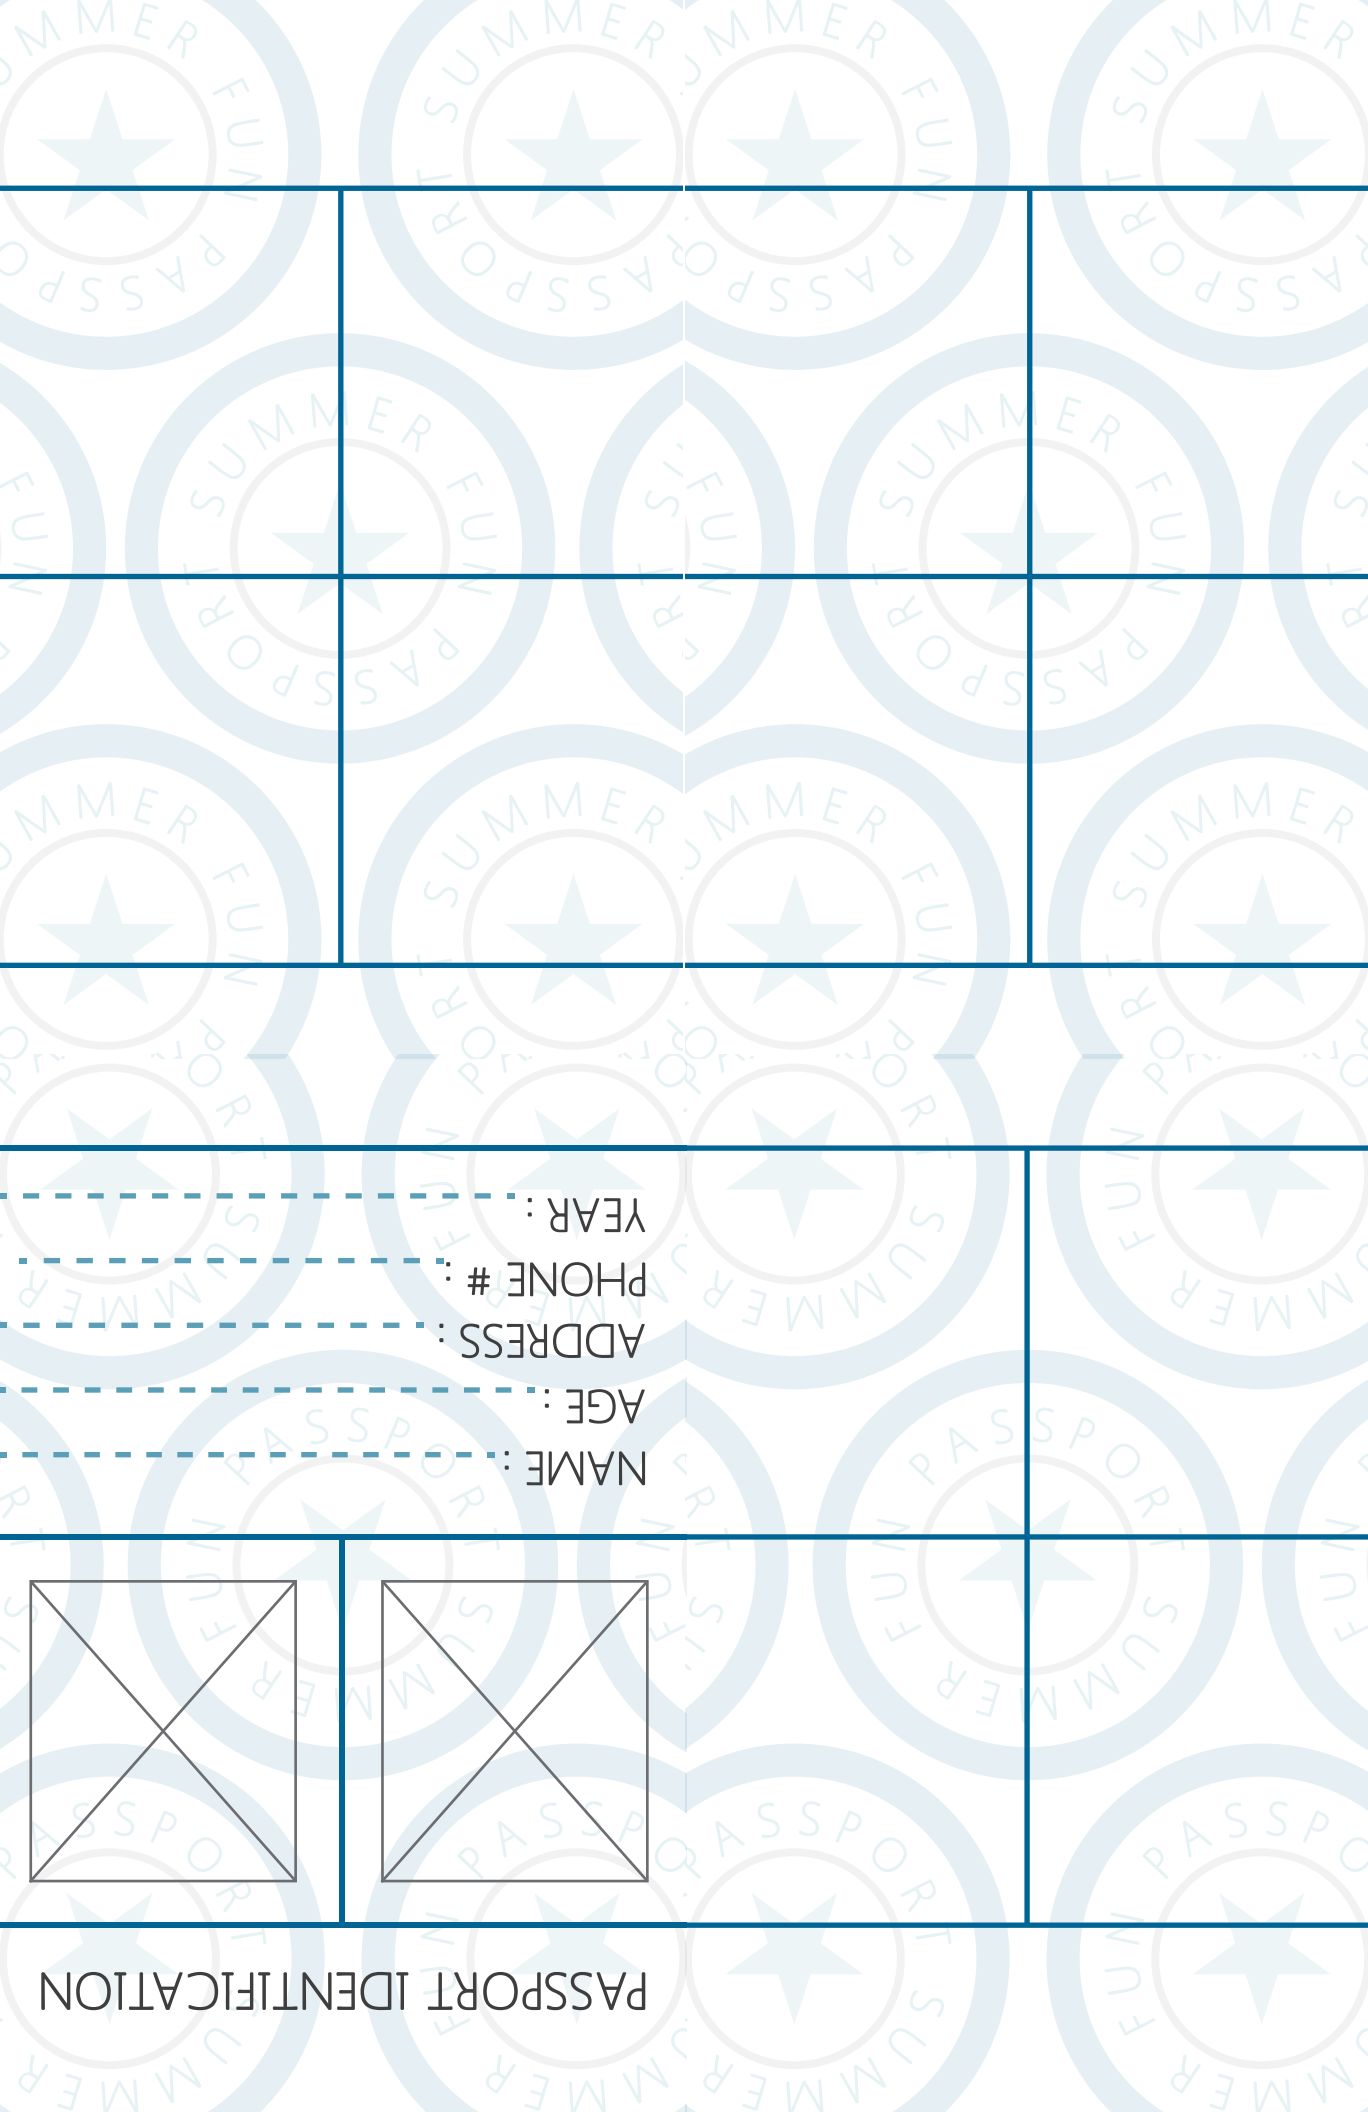

Includes:

- Four interior pages
- Cover
- Sticker Sheet

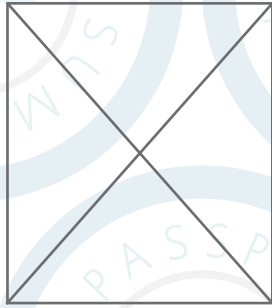

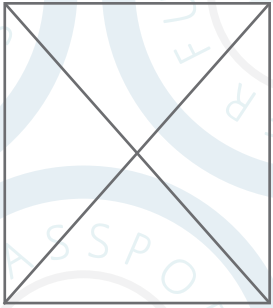

Directions:

1. Print pages 2-5 on regular copy paper. Use your borderless printing setting. Design should fill top to bottom of an 8.5x11 sheet of paper.
2. Print page 6 on cardstock.
3. Print page 7 on sticker paper. Use borderless printing setting.
4. Trim all pages.
5. Fold interior pages in half horizontal then in half again vertical with the printed side facing out. Fold cover in half.
6. Trim edges of the cover and interior page sets with a corner rounder if desired.
7. Adhere outer edge of individual pages leaving the top open to create a pocket at the top of each page.
8. Stack the four sets of interior pages inside the cover and secure with staples.
9. Trim out the stickers and add a few sets to each pocket.
10. Personalize your summer passport with photos and info then have fun filling it up! You can use the stickers on each square to mark your activity or add stamps from the places you visit. You can also keep ticket stubs and other small mementos in the page pockets.

Have a GREAT summer!
